

#GSMCON 2020

Join 1,000 government social media professionals for the only major social media conference in the United States for government agencies.

SEATTLE, WA

Tue. March 24 | Wed. March 25 | Thu. March 26 (½ day)

Government Social Media Conference

It's Worth the Investment

GSMCON is the best learning experience around for government social media managers. Attendees will learn practical skills for managing public sector social media issues and will have unparalleled opportunities to network with agencies across the country.

Meet the Social Networks

Major social networks typically participate at GSMCON, delivering keynote remarks, hosting breakout sessions, focus groups and holding booth hours to answer attendee questions in our Expo. Past GSMCONs have featured representatives from Facebook, Twitter, Snapchat, Nextdoor, LinkedIn and more!

Who Should Attend GSMCON

Social media coordinators, communicators, elected officials, marketers, law enforcement, emergency managers – everyone from agency leadership to the occasional social media contributor.
